

IF I WAS A...

If I was a dog,
I'd guard the family house.
If a stranger came by,
I would warn them not to come to close!!

If I was a horse,
I'd listen to my master.
When we go show jumping,
I would never knock a rail.

If I was a cow,
I'd get milked every day,
I would never let my calf
go anywhere astray.

If I was a goat,
I'd be tied to a chain,
I would get all the family scraps
my favourite is sugar cane.

If I was a sheep,
I'd live in a paddock
My lamb likes to frolic
but not too far.

If I was a pig
I'd play in the mud,
When it rains
I'll crawl into my pig sty safe and snug.

If I was a deer

I would eat grass all day long,

I like to be lean

Slim and strong.

If I was a chicken,

I'd look for worms,

Especially the ones

That wiggle and squirm.

But I think I'd rather be me

I like the sound of it all,

I think my imagination

Got carried away AGAI N!!!
